

PROPOSAL FOR PARTICIPATION 3rd INVESTORS MEET

INDUSTRIAL INVESTMENT OPPORTUNITIES IN THE GCC COUNTRIES

October 30-31, 2007

Unique opportunity to

- * Attend presentation of five attractive industrial projects.
- * Get project highlights of all five projects and get five pre-feasibility study reports free.
- * Interact with respective technology suppliers for these projects.
- * Network with other potential investors from all GCC countries.

DIVERSIFIED SECTORS

OVERVIEW ABOUT THE INVESTORS MEET

BACKGROUND

Under the patronage of H.E Dr. Mohammad Saleh Al Sada, Minister of State for Energy & Industry Affairs and in cooperation with Qatar Chamber of Commerce & Industry, the Gulf Organization for Industrial Consulting (GOIC) is organizing its third investors meet on industrial investment opportunities in the GCC member states during October 30-31, 2007.

This is the **Third Investors Meet** of its kind being undertaken by GOIC; the First focused on plastic sector in 2004, while the Second Meet focused on downstream petrochemical sector in 2005. This Third Meet is intended to focus on diversified sectors.

This Two-days event will be held under a high-level patronage from various governmental organizations.

The need for the continuity of conducting these important series of Meets stems from the fact that GCC countries are expanding their petrochemical industries, aluminium industries, metal processing and many others.

This unique and focused event will concentrate on project presentation and technical interaction between consultants in GOIC and investors of the five selected attractive projects in various sectors including petrochemicals and metals processing. These projects are selected after screening more than 50 project ideas based on selection criteria that typically suits GCC region.

Delegates from business houses, petrochemical companies, investment companies, entrepreneurs, investors in the GCC region and other interested parties are expected to attend this event. It will provide the delegates with good opportunity to meet other potential investors and thus lead to possible joint promotion of projects.

WHO SHOULD ATTEND

- * Businessmen
- * Chief Executive Officers
- * Business Development Managers
- * Investment Advisors
- * Project Managers
- * Investment Managers
- * Consultants
- * Industrial Promotion Authorities

WHAT THE PARTICIPANTS GET

- * Interaction between consultants in GOIC and investors
- * Receiving pre-feasibility reports free of charge

PROJECTS SELECTION CRITERIA

The projects are selected based on extensive study and one or more of the followings:

- * First of its kind in GCC
- * Substantial value added
- * Export oriented/import substitution
- * Exploitation of local comparative advantage
